Ravi Kumar Patel

ITI Trainee - Electrician

Email: ravi.patel@example.com | Phone: +91 9000000011 | Anand, Gujarat

Career Objective

ITI Electrician trainee who enjoys house wiring and panel work. I want to work on real community projects where I can wire, test and hand over safe electrical installations, and later become a licensed wireman.

Education

- ITI Electrician (NCVT), Government ITI Anand - 2025 to 2027 (2nd year)
- SSC (Class 10), Gujarat Board - 2025

Skills

- Electrical Wiring (casing-capping and conduit)
- Switchboard Installation
- Electrical Safety (lockout, earthing checks, PPE)
- Multimeter and megger use
- Reading Electrical Diagrams
- MCB / RCCB selection

Practical Training

- Wired a 2BHK demo house layout in the ITI workshop: 6 light points, 3 fans, 5 sockets, one DB with MCBs.
- Assisted a local contractor for 3 weeks of summer work replacing old switchboards in a housing society.
- Tested earth resistance of the workshop earth pit with the instructor and recorded readings.

Career Interest

Domestic and commercial wiring, switchboard installation, teaching wiring to others.

Languages

Hindi, Gujarati / Marathi, basic English.
