Arjun Desai

ITI Trainee - Fitter

Email: arjun.desai@example.com | Phone: +91 9000000033 | Vadodara, Gujarat

Career Objective

ITI Fitter trainee who likes precise hand work. I want to restore and calibrate workshop tools and learn maintenance fitting in a manufacturing plant.

Education

- ITI Fitter (NCVT), Government ITI Vadodara - 2025 to 2027 (2nd year)
- SSC (Class 10), Gujarat Board - 2025

Skills

- Basic Fitting (marking, sawing, chipping)
- Filing (flat and square to +/- 0.05 mm)
- Vernier Caliper and micrometer
- Drilling and tapping
- Workshop Safety

Practical Training

- Made a T-fit and a dovetail job within 0.05 mm tolerance in the 1st-year trade practical.
- Overhauled two pedestal drilling machines with the workshop instructor (belt, spindle, lubrication).
- Kept the tool-room measurement register for one semester.

Career Interest

Tool restoration, precision measurement and machine maintenance.

Languages

Hindi, Gujarati / Marathi, basic English.
