Imran Shaikh

ITI Trainee - Welder

Email: imran.shaikh@example.com | Phone: +91 9000000044 | Pune, Maharashtra

Career Objective

ITI Welder (Gas and Electric) trainee. I want to fabricate strong, safe steel structures and trolleys for workshops and later qualify as a certified welder.

Education

- ITI Welder (Gas and Electric) (NCVT), Government ITI Pune - 2025 to 2026
- SSC (Class 10), Maharashtra Board - 2024

Skills

- ARC Welding (SMAW, flat and horizontal butt and fillet joints)
- Gas Cutting (oxy-acetylene)
- Welding Safety (PPE, fire watch, cylinder handling)
- Reading fabrication drawings
- Grinding and finishing

Practical Training

- Fabricated a steel shoe rack and a tool stand from 25 mm square tube in the ITI workshop.
- Cut and welded 40 mm angle frames for the ITI notice boards (12 frames).
- Two weeks of on-site practice at a local fabrication shop on gate and grill work.

Career Interest

Structural fabrication, workshop trolleys and safe material handling equipment.

Languages

Hindi, Gujarati / Marathi, basic English.
